To : Acting Commanding Officer, Project [REDACTED]

25X1A2g

REB  
: Delegation of Authority

25X1A2g

1. Pursuant to your recent assignment as Acting Commanding Officer of Project [REDACTED] you are authorized and directed to issue operational and administrative instructions to Republic Electric & Manufacturing Company as your manager, in line with my general instructions, to finance, identify and conduct all operations of the Site. [REDACTED] In connection with a continuation of underground mining, the Board designated supervisor to check field locations and construction progress to the effect that your regulations will be implemented and your instructions will be obeyed.

25X1C4e

2. In connection with this delegation, you will comply with existing instructions and refer any questionable items to this Headquarters for advice prior to taking action. You are expected to maintain such systems and procedures as are necessary for the successful completion of the assignment with due attention given to security as well as property requirements.

3. A copy of this may be made available to HQSOS if they desire.
